

**Learn how to make decisions that simultaneously support, strategies, goals and personal values.**

Learn how to use your personal values to motivate and inspire yourself and the organization. It's in the best interests of leaders and everyone to create opportunities for their own values satisfaction and the values satisfaction of the people they collaborate with or supervise.

**Values Based Leadership Workshops**  
**Full Day or Half Day**  
**Team Training**  
**Motivational Speaker**
